First National Bank schedules openings of two branches at Giant supermarkets

Phoenixville and Royersford locations will launch by end of year

WEST CHESTER _ First National Bank of Chester County will open branches at Giant supermarket locations in Phoenixville and Royersford by the end of the year.

“These two new supermarket branches represent our commitment to serving the financial needs of the Phoenixville and Royersford areas,” said Karen Walter, First National’s Executive Vice President of Retail Banking. “By placing the branches in Giant supermarkets, banking will be easy and convenient for local residents.”

Chuck Benz, Vice President and Regional Branch Manager of First National is in charge of the two branches. “Under Chuck’s leadership,” Walter said, “I’m confident that First National will be an integral part of those communities as we have been for the past 143 years in the West Chester area.”

The First National branches at Giant will offer full service banking, including consumer checking, savings, loans, business banking and access to trust and investment services. The branches will have a 24-hour ATM, a night drop-off box for business deposits and will be open every day of the week.

Earlier this year First National opened a Regional Loan Office at 347 Bridge Street, Phoenixville. The office offers commercial loans, commercial real estate loans and residential mortgages. First National’s Business Development representatives are also available to discuss cash management and deposit product services. In addition, representatives of First National’s Trust and Investment Division will be available to discuss trust, investment and retirement services.

First National, a subsidiary of First Chester County Corporation, is the largest independent national bank headquartered in Chester County and provides quality financial services to individuals, businesses, governmental entities, nonprofit organizations, and community service groups.
