More than 200 take part in ‘Great Shredder Event’ sponsored by First National Bank and Shred One

West Chester _ The “Shred One, Great Shredder Event” drew more than 200 people to First National Bank of Chester County’s Goshen branch located at the intersection of Paoli Pike and Five Points Road.

First National Bank and Shred One, a mobile paper shredding and recycling company, teamed to help residents shred personal documents on May 5. There was no charge for the service.

Identity theft is a threat to everyone in the community. The best way to dispose of personal records and junk mail is to shred the paper. Volunteers were on hand to assist with getting your papers from cars to the Shred One trucks.

First National, a subsidiary of First Chester County Corporation, is the largest independent national bank headquartered in Chester County and provides quality financial services to individuals, businesses, governmental entities, nonprofit organizations, and community service groups.
