First National Bank of Chester County helps CCSPCA with holiday theme tree

Hershey's Mill branch hosts exhibit beginning Nov. 30

WEST CHESTER _ The Hershey's Mill branch of First National Bank of Chester County is hosting a theme tree this holiday season to help raise public awareness of the Chester County SPCA.

“The tree is being decorated with hand-made animal ornaments made by the Junior Fur Star Volunteer Corp of the Chester County SPCA,” said Ilene J. Sussman, Assistant Vice President and Branch Manager of First National's Hershey's Mill branch. “The students range in age from 10 to 15 years old.”

The branch is also having a “Dogs Day Out” program on two consecutive Saturdays, December 15 and December 22 from 10:00 a.m. until noon. A SPCA staff member will bring adoptable dogs to the branch to allow the community to stop in and see the dogs.

The tree will be decorated on Friday, November 30. During the holiday season the SPCA is providing brochures, photographs of adoptable animals and other information at the branch. The branch is located at 1371 Boot Road, West Chester.

First National, a subsidiary of First Chester County Corporation, is the largest independent national bank headquartered in Chester County and provides quality financial services to individuals, businesses, governmental entities, nonprofit organizations, and community service groups.
