## **First National Donates \$1,000 to David's Drive**

**WEST CHESTER** – First National Bank of Chester County recently presented a check for \$1,000 to David's Drive.

David's Drive was founded in memory of David Turner, Jr., who died at the age of 20 in December, 2009. David had been employed at the Veterans Hospital before his death and was dedicated to serving the men and women of the armed forces. David's Drive is an organization devoted to encouraging people to donate socks and underwear to the veterans in Coatesville Veterans Affairs Hospital. David cared deeply about the veterans and was frustrated to learn that the veterans in the hospital did not have enough underwear or socks. In May 2010, the first clothing drive was held and over 2,400 pieces of underwear, socks and tee shirts were delivered to the Veterans Hospital.

“This donation will make it possible for David's Drive to become incorporated as a non-profit organization and enable them to continue their efforts in helping those veterans in need,” said John A. Featherman, Chairman, CEO and President of First National. “The bank is proud to support this worthwhile endeavor.”

First Chester County Corporation and its wholly owned subsidiary, First National Bank of Chester County, is a financial institution with 23 branch offices located in Chester, Delaware, Lancaster and Cumberland counties. Founded in 1863, First National Bank of Chester County is the eighth oldest national bank in the country. First National provides quality financial services to individuals, businesses, government entities, non profit organizations, and community service groups.

Wealth Management and Trust Services are provided through First National Wealth Management, a division of First National Bank of Chester County.

Mortgage services are provided through American Home Bank, a division of First National Bank of Chester County. American Home Bank (AHB) has multiple national delivery channels in the retail and wholesale mortgage arena as well as joint venture mortgage partnerships with builder and systems-built manufacturers.
